Copy of letter No.O.C.1840 of 22-23 dated 1st September 1924 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to state that as labour has to be provided for immediately in the Pavagada Taluk where the rainfall is scanty and crops have failed, estimates for the maintenance of the marginally noted (vide over leaf) tanks have been prepared and kept ready for execution. But as the estimated cost in each case exceeds one year's assessment, I request the favour of your obtaining the sanction of Government to the excess charge being met by Government as the ryots are so impoverished that they are unable to pay even one year's assessment.

As the matter is pressing I have requested the Executive Engineer to start these tank works immediately.
